

DIFFERENCES

LESSON FOUR

Summary

In this lesson, you'll learn about ways that people are different, how our differences make us unique, and why it's important to respect differences. You will also learn what "diversity" is, how it's important to society, and ways to celebrate diversity.

DISCUSSION QUESTIONS

What is diversity? _____

Name some ways that people are different. _____

Why is it important to show respect for diversity? _____

What are some ways that we can celebrate diversity? _____

CLASS ACTIVITY: CELEBRATING DIVERSITY

1. Take turns sharing in front of the class.
2. When it's your turn, you can choose to share something unique about yourself, or share something unique about someone else that you appreciate about them.
3. After several students have shared, discuss what you've learned about others.

DIFFERENCES

LESSON FOUR

HOME ACTIVITY: Understanding our Differences

What is another word for “differences”? _____

Name three ways that we express our differences.

1. _____
2. _____
3. _____

What is one thing that makes you unique – something you think is interesting or cool?

Q&A: TRUE OR FALSE?

- ☐ T ☐ F Someone who wears “name brand” clothing is a better person than someone who doesn’t.
- ☐ T ☐ F A vegetarian is more of a hero than someone who eats meat.
- ☐ T ☐ F Someone with an adventurous hobby like skateboarding or mountain climbing is just as cool as someone with a relaxing hobby, like reading or drawing.
- ☐ T ☐ F If someone likes music that you don’t like, they have bad taste in music.
- ☐ T ☐ F If someone was born into a different culture than you, you’ll never have anything in common.
